

7:00 Registration and Breakfast

8:00 Opening Remarks & Introduction

8:30 [Group Session](#)
Placental Vascular Dye Injection

*The following sessions will run concurrently
Throughout the day. Course participants will be formed into
teams at the beginning of the day and rotate with their team
participating in the various workshops throughout the day.*

[Workshop](#)
Cord Occlusion: Bipolar forceps, Radio
Frequency Ablation (RFA) and Interstitial
Laser

[Workshop](#)
Fetoscopic Tracheal Occlusion (FETO)
Balloon Removal and Neonatal Airway
Management

[Workshop](#)
Fetal Shunts (Chest & Bladder)

[Workshop](#)
Laser Ablation of Anterior Placentae

[Workshop](#)
Laser Ablation of Posterior Placentae

[Workshop](#)
Intrauterine Transfusion

5:30 [Dinner and Discussion on Challenging Cases](#)
Every participant must plan to attend this dinner
where complications of fetoscopy will be
discussed as a group.

8:00 Closing Remarks

*NOTE: Lunch is scheduled from 12:15 – 1:00 p.m. Snack
and breaks will be provided throughout the day*

Course Objectives

Fetal Interventions are becoming *increasingly less
invasive* and require training and experience for
optimal results. The [Fetal Therapy Simulation Course](#)
provides an excellent opportunity to explore these
techniques in detail, to gain practical “hands on”
experience with the instruments and procedures and
to receive feedback on one’s performance and the
avoidance of complications.

Our faculty are all experienced fetal medicine
practitioners from some of the world’s leading fetal
medicine centres.

Procedures will be performed using lifelike maternal
and fetal simulation models.

This course is suitable for maternal fetal medicine
practitioners performing fetal interventions.
Participants will also be introduced to a network for
sharing and discussion of challenging cases in the
future.

Course Directors

Han Keunen, Greg Ryan, Tim Van Mieghem and Rory
Windrim & Nimrah Abbasi

Faculty

Nimrah Abbasi
Fetal Medicine Unit, Mount Sinai Hospital, University of
Toronto
Toronto, ON CANADA

Francois Audibert

Accreditation

This program has been submitted to the Royal College
of Physicians and Surgeons. Certificates with credits will
be given on the day of the course.

Attendee Comments

*“Excellent facilitators at each station, nice balance at
stations and very well organized”*

“Great networking and loved the discussions at dinner”

“Simulations were superb and experienced instructors”

*“Experienced teachers, near perfect models, good
spectrum of fetal intervention”*

*“Great hands on experience and knowledgeable
faculty”*

Registration (2019 Fall FSTC)

First Name: _____

Last Name: _____

Workplace Facility: _____

Address: _____

City: _____

Province: _____

Country: _____

Zip/Postal Code: _____

Phone _____

Email: _____

[] MFM [] Paediatric Surgeon

[] Fellow – MFM

[] Other: _____

Payment is by credit card only. Please complete this registration form and fax to **FAX # (416) 586-5958** or scan & email to elizabeth.gan@sinaihealthsystem.ca

[] Visa [] Mastercard

Card # : _____

Expiry Date: _____

Name on Card: _____

Signature: _____

Registration Fee (Canadian \$)

Before October 1 2019	After October 1 2019
\$1,150 +HST = \$1,299.50	\$1,300+HST = \$1,469.00
