

OBJECTIVES

To review selected issues and contemporary practices in obstetrics, gynecology and women's health on an international scale

WHO SHOULD ATTEND?

Family Physicians, Gynecologists, Obstetricians, Midwives, Nurses, Nurse Practitioners, Residents and other healthcare professionals who deal with women's health issues.

COURSE FORMAT

The course will be interactive plenary sessions with question and answer periods after each session. This will permit participants to provide and receive feedback from colleagues and experts.
