Friday, October 9, 2015

7:45 A.M. - 8:45 A.M.

St. Michael's Hospital Paul Marshall Lecture Theatre (Queen St entrance, behind the Second Cup)

Dr. Michael Geary

MB BCh BAO MD FRCOG FRCPI DCH

Professor Michael Geary qualified from the University College, Galway Ireland, in 1989. After initial training of Obstetrics and Gynaecology at the National Maternity Hospital and St. Vincent's Hospital, Dublin, he conducted clinical research, special interest training in Maternal Fetal Medicine at UCL, and completed an award-winning doctorate in the area of fetal growth. He has since received many academic awards at both national and international scientific meetings. After a prolific academic and research career in Europe, he joined St. Michael's Hospital, Toronto in October, 2014 as Chief of Obstetrics & Gynaecology and was co-appointed as Professor of Obstetrics & Gynaecology at the University of Toronto. He is currently the lead for Obstetrics on the Quality Improvement committee at U of T. Dr. Geary has a wide range of interests in obstetrics and gynaecology, and special interest in providing care in high risk obstetrics, maternal fetal medicine and prenatal diagnosis.

Educational Objectives

- 1) Review management of SD and OASIS
- 2) Focus on importance of Quality and Safety
- 3) Discuss aspects of Excellence (person and team)
- 4) Role of Communication/Documentation
- 5) New approaches to management (SD & OASIS)
- 6) Discuss audit (local/GTA/provincial)
