### SUMMARY

The **Southern Ontario Obstetric Network** was formed just three years ago with the aims of forming a collaborative network of hospitals providing Obstetric care in the GTA. Known initially as the GTA - OBS network with the addition of McMaster University and hospitals and the receipt of a CIHR grant the S.O.O.N was born. It exists on 3 pillars: Quality of Care, Common Protocols and Research. Some of the ongoing projects and some future plans will be presented.
