7:45 A.M. - 8:45 A.M.

St. Michael's Hospital

Li Ka Shing Knowledge Institute, Room 211

Speaker: Dr. Jean Chamberlain Froese

**Dr. Jean Chamberlain Froese** is an internationally recognized expert in women's health and is a member of the Order of Canada. She is the founder of Save the Mothers, an organization dedicated to saving some of the 287,000 women who die in childbirth every year. She spent the majority of the last 12 years in Uganda and worked in Yemen for 5 years prior to that. Currently, she is an Associate Professor in Obstetrics and Gynecology at McMaster University and has received numerous international awards (Royal College of Physicians and Surgeons of Canada and the Federation of International Gynecologists and Obstetricians) for her work in safe motherhood. She recently co-authored the book, "Game Changers" as wrote the book, *Where Have All the Mothers Gone?* She is co-editor of the 2014 book, *Women's Health in the Majority World*. She is married to journalist husband Thomas Froese and they have three children.

EDUCATIONAL OBJECTIVES

1. Review the major causes of global maternal and newborn mortality/morbidity.
2. Be familiar with the ROOT causes of maternal mortality in developing countries.
3. Understand the **challenges of change** required to ensure mothers have a safe and dignified delivery in East Africa
4. Review the **essentials of change** on both sides of the pond.
