

# SUPPORT UNIVERSAL NO-COST CONTRACEPTION COVERAGE IN ONTARIO

## Are you a healthcare provider in Ontario?

Please consider taking a moment to read and sign our open letter, addressed to the Minister of Health and Premier of Ontario, which calls upon the provincial government to institute 100% cost coverage for all contraceptive options, for all ages.

Now, more than ever, in the face of a global pandemic and recession, the importance of universal contraception coverage is paramount.
