### Developing Faculty for Competency-Based Education

**Date:** March 3, 2015

**Time:** 12:00-1:00PM

**Location:** Li Ka Shing Building, 209 Victoria St.,  
2nd floor, Allan Waters Family Auditorium  
(LKSKI Auditorium)

**Presenter:**

**Dr. Linda Snell**

Professor of Medicine, Centre of Medical Education, McGill University.

of Canada.

#### Session Description:

As post graduate (and perhaps, eventually, undergraduate) medical education moves towards a competency-based model, what competencies are needed by clinical supervisors, program directors and curriculum planners involved in delivering education? How should these competencies be best acquired? Is 'traditional' Faculty Development able to deliver?
