**Important note to the assessors and the candidate:**

1) If a candidate is unsuccessful in the PEAP, s/he is not permitted to enter another PEAP in the same discipline in Ontario. An unsuccessful PEAP result will be communicated to all Ontario medical schools.

2) Before the candidate begins his or her PEAP, he or she must have received from the College an educational certificate for PEAP or been advised by the College's Registration Department that a certificate has been issued. Upon successful completion of the PEAP, the CPSO will be responsible to convert the educational certificate for PEAP into a full certificate of registration for Postgraduate Education to coincide with commencement of the fellowship program.

It is an offence under the Regulated Health Professions Act for a person to practice medicine in Ontario until such time as the person is registered and authorized to practice medicine by the College of Physicians and Surgeons of Ontario.
